Arcticus Blancus – Tribal Center Gift Shop

Eugenix P.S.A. would like to share an idea to establish a Tribal Center Gift Shop – for Arcticus Blancus polar hair tribal group. The center gift shop main purpose will be to express to unaware Arcticus Blancus persons own indigenous existence. The center gift shop will share indigenous spirit thru presentation and sale of products and promotional materials related to the indigenous polar climate, ecosystem and biodiversity such as:

- ✓ Plush Polar Animals and Polar Accessories
- ✓ Polar Arctic and Antarctic Maps, Books and Magazines
- ✓ Posters of Indigenous Polar Nature and Wildlife
- ✓ Preserved Polar Food, Drinks, Candles
- ✓ Hats, Shirts, Mugs, Pens, Bracelets, Lanyards
- ✓ Polar Sun Protection and Polar Cosmetics

Tribal center gift shop will also be a place for small tribal gatherings with space and time for small indigenous groups education related to all Eugenix P.S.A. climate repair programs and Arcticus Blancus indigenous programs especially the Indigenous Heritage Protection. Tribal center gift shop with time will hopefully gather great number of indigenous persons that will become close tribal friends and members focused on Arcticus Blancus culture and sustainment.

Indigenous persons interested in making a financial donation or providing a valuable input of other kind intended to help Eugenix P.S.A. to establish first Tribal Center Gift Shop are asked to contact us via email.
